

NOTIFICATION TO OFFERORS REGARDING BEST AND FINAL OFFER LETTER(S)

The Issuing Office is continuing its review of the proposals and supplemental materials submitted in response to RFP 21-001. Accordingly, it does not plan to transmit best and final offer letters to any Offerors on February 25, 2022. At this time, the Issuing Office anticipates that best and final offer letters, if any, will not be sent any earlier than March 4, 2022.
